**No of Participants:** 89 students.

**Objectives of the Event:** To provide students a counselling on the aviation carrier and give basic skills on airmanship.

**How was the event executed:** offline mode in seminar hall.

**Level of Achievement:** Satisfactory/ Non-Satisfactory. **(Satisfactory)**

**Key Highlight:** We had a guest lecture on "Daily operations in the aviation industry" for the BBA Aviation students, the guest lecture was conducted in the IV floor seminar hall and the resource person was Captain Rizwan Taj who is a CFI - Chief Pilot Instructor and an admission consultant at Airways Aviation Dubai, UAE.

Our second resource person Ms Tamara Sayed is a career counsellor and a personality training manager at Airways aviation academy, Dubai, UAE.

It was a 3-hour session and the topics covered were as follows:

- Introduction to the world of aviation.
- Requirements to be an Aviator.
- Personality and traits to be acquired.
- Equipment in the cockpit.
- Airmanship skills.
- Emergency handling.
- Hypoxia.
- Hyperventilation.
- TUC- Time of useful consciousness.
- Fire detection and alarms.
- Emergency communications.

The students got complete understanding of the technical details of the cockpit and equipment in the flight deck.
