The Department of Training & Placements successfully organized a campus recruitment drive for undergraduate students in collaboration with Snap2Insight on 21/7/2025. The initiative aimed to provide students with an opportunity to demonstrate their skills in a real-world corporate environment.

The event commenced with a formal welcome ceremony, during which the Principal extended a warm greeting to the HR team from Snap2Insight. Following the welcome, an aptitude test was conducted for all registered candidates. Based on their performance, 7 students were shortlisted for further evaluation.

Two rounds of interviews were conducted on the same day, culminating in the selection of 3 students for the position of Analyst.

This drive not only marked a significant milestone for the selected students but also reinforced the college's commitment to bridging academia and industry through meaningful placement opportunities.
