### Industrial Visit to Edutech – Exploring the World of Robotics

*Organized by the PG Department of Commerce | 6th June 2025*

The PG Department of Commerce organized an **Industrial Visit to Edutech, Indiranagar** on 6th June 2025 for II Semester M.Com students. The visit aimed to bridge academic learning with technological applications in the field of robotics and automation.

Students were introduced to various types of robots, including robotic arms, humanoid bots, and AI-integrated systems. Live demonstrations offered hands-on insights into real-world applications of robotics in sectors such as manufacturing, healthcare, logistics, and education.

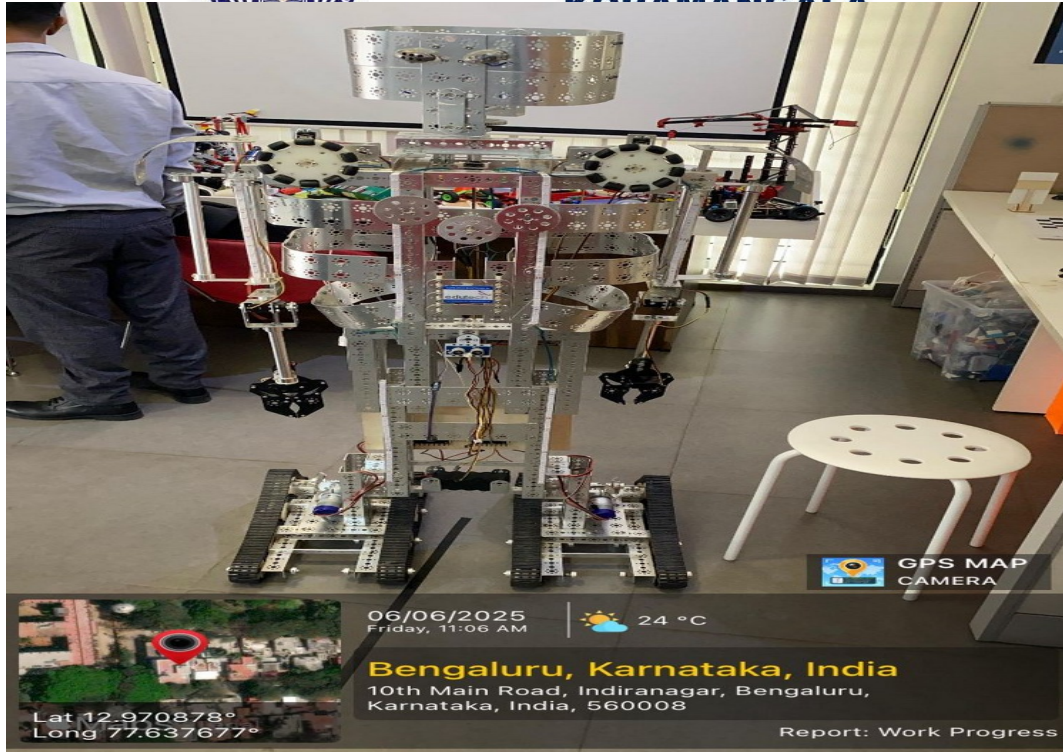

The session also included discussions on **internship opportunities**, project mentorship, and pathways for entrepreneurship in AI and automation. Coordinated by **Dr. Poornima Jogi**, the visit proved to be an enlightening experience that inspired curiosity, critical thinking, and career exploration in emerging technologies.
