## A REPORT ON INDUSTRIAL VISIT

Place of Visit: Karnataka Soaps & Detergents Pvt Ltd

Date: 19<sup>th</sup> August 2022

Event Coordinator: Ms. Smitha Koshy

Students from First year MBA batch along with Faculty coordinator Ms Smitha Koshy visited Karnataka Soaps & Detergents Pvt Ltd in Bangalore , they provides the market several bathing soaps, detergents, incense sticks, and sandalwood powder

We reached at 3 00 pm, Mr Balakrishnana who is an employee of the factory welcomed and guided the students throughout the visit and briefed about the Sandal wood Tree and the process of extracting oil, its quality and use of it as medication in a very interesting way .

He also showed the Sandalwood Tree explained about the process by which oil is extracted from it and the method of manufacturing of Soaps

Students were witnessed the process such as saponification, preparation, labelling, packing and plant operations etc.

The industrial visit was very informative for the students and they got a good exposure to the manufacturing of soaps and detergents using sandal wood oil, palm oil, salt etc.
