3. **Venue:** 4th Floor seminar hall
4. **No. of Participants:** 100
5. **Event Coordinator:** Ms. Maria Glory Antony and Mr. Swamy Raj
6. **Resource Person:** Mr. Rahul Singh

Objective: The objective of the guest lecture on "Navigating Tomorrow: Unlocking Career Paths for a Dynamic Future" was to equip attendees with insights and practical strategies for career planning and development in the rapidly evolving job market. The lecture aimed to highlight the impact of technological advancements on industries, underscore the growing importance of soft skills, and stress the value of continuous learning and networking in navigating future career paths.

Outcome: The lecture aimed to equip participants with a comprehensive understanding of the evolving job market and provide them with the tools to navigate their career paths effectively. Participants will gain insights into emerging trends, develop personalized career roadmaps, build essential skills for the future, and learn how to leverage technology for career advancement.

Report or Overall Summary: The guest lecture on "Navigating Tomorrow: Unlocking Career Paths for a Dynamic Future" offered valuable insights into the changing landscape of the job market and provided attendees with practical guidance for career planning and development. The speaker began by highlighting the rapid pace of technological advancements and their profound impact on various industries. They emphasized the importance of staying updated with emerging trends and acquiring new skills to remain competitive in the job market.

The lecture also delved into the significance of soft skills, such as communication, teamwork, and problem-solving, in addition to technical expertise. These skills are becoming increasingly valuable as automation and artificial intelligence take over routine tasks. The speaker emphasized the need for individuals to develop a growth mindset and be open to continuous learning throughout their careers.

Furthermore, the lecture explored the importance of networking and building relationships in today's interconnected world. The speaker highlighted the power of online platforms and social media in connecting with professionals, exploring job opportunities, and staying informed about industry developments. They encouraged participants to actively engage in networking events and build a strong professional network.
