INAUGURATION

The Department of Management organized Investiture ceremony on 14th November 2022. The Tycoon club is a Management club which focusses on developing management skills through various skill enhancement activities and holistic development of students. The Aviation Management students were actively engaged in Aviatrix club activities for getting the students industry ready. The event was conducted to choose the right leader for Tycoon club and Aviatrix Club. This occasion was graced with the presence of dignitaries. The leaders elected were felicitated.

AIRPORT/INDUSTRIAL VISIT

Airport visit provides an opportunity for the students to get familiar with all airport operations and its working procedure. The Department of Management successfully organized an airport visit for the students of BBA Aviation on 15th December 2022 to Hubli airport (HBX), Karnataka, Salem airport (SXV), Tamil Nadu on 13th January 2023 as a part of their curriculum. The students visited all the departments like Check in, RAMP-Region of aircraft movement and parking, SHA- Security hold area, BMA- Baggage makeup area, ATC- Air traffic controller, IMD - India meteorological department and the Fire and safety department. The Department of Management of St. Francis College had organised industrial visits to various places like Hassan, Mangalore and Bengaluru for BBA students between January to March 2023.

The first visit was made to Shahi Exports Pvt Ltd, Hassan. This visit took students through the production process and operation of the garment industry. Followed by this, a visit was made to Kalbavi Cashews, Mangalore on 10th February 2022. During this visit students had an opportunity of witnessing the traditional methods of cashew processing with an involvement of machines and technology.

At last, a visit was made to Paras wires and Cables, Bidadi Bengaluru on 6th March 2023. In this visit the students were taken to the production floor to view the entire process directly. They observed the layout, machines installed, workers, directions and symbols around the floor, and few tips for safety measures that required to be taken in a cable and wire manufacturing units.

The primary objective of the industrial visit was to provide the students an insight regarding internal working of the industry. With the aim to go beyond the books and academics, Industrial visit provided a practical perspective knowledge to the students.

GUEST LECTURE

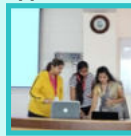

Guest lecture gives students a better opportunity to learn about an explicit topic in a way that gets them involved in the class and actively join in a more convenient way of teaching. "STRENGTHENING YOUR ABILITY TO WORK INDEPENDENTLY", the guest lecture was

conducted on 1st of December 2022 with the objective to make students aware of real life requirements by making them to understand the importance of working on strengths and build discipline in life to see growth in long term. "PRACTICAL ASPECTS OF GOODS AND SERVICES TAX AND INCOME TAX", the guest lecture was conducted on 24th January 2023, this lecture allowed the students gain practical knowledge on GST filing and real time information on tax system. "INTRODUCTION TO INVESTMENTS-STOCK MARKET", the guest lecture was conducted on 21st February 2023. The lecture gave an insight on stock market investments and awareness about financial education and financial independence.

LOGO DESIGNING

"Creativity doesn't wait for that perfect moment. It fashions its own perfect moments out of ordinary ones". The Tycoon Club, Conducted an "Intra Departmental Competition" titled "Logo Designing", on 5th November 2022. The aim of conducting the event was to enrich the students with knowledgeable ability, communication, attitude, perceptions and nurture their flourishing creativity. The participants were judged on the basis of their presentation skills, artistic approaches and innovation skills.

ACHIEVEMENTS

HEARTIEST CONGRATULATIONS...

The Department of Management holds immense pride in acknowledging the students who have shown their excellency in various platforms. These achievements are a testament to the incredible talent and intellect that exist within our student community. The students have won in various inter-collegiate competitions. Their impressive accomplishments have brought great honour and recognition to our institution.

Muskan, Prajwal.M, Prajwal.B, Ayushi and Balraj Darshan of Vth Sem BBA Aviation and Francis of 3rd Sem BBA Regular bagged the trophy by winning in the Fashion Show event conducted at St. Joseph's College on January 2023 and in Jyoti Nivas College conducted on February 2023.

The students have also accomplished in the field of sports. Moinuddin of 1st Sem BBA Aviation has been selected in the Under 19 National Football Team. Mathew Rohan of Vth Sem BBA Aviation represented the college team in American Football and have secured second place. Srinidhi.K of Vth Sem BBA aviation represented Karnataka in YSPA National Throw Ball Championship 22-23 and secured gold..

Aditya Kumar and Kavitha Kumari of 1st Sem BBA Regular stood first in the Hackathon competition held in PES University.

We commend the passion and contribution of the students and hoping that this recognition will provide them a significant boost to embark on their future endeavours.

MANAGOVISTA

The Department of Management at all times endeavour to introduce students to many platforms where they can submit their original business plans that highlight all their knowledge, their capacity to run their business by controlling finance, raw materials, handling customers or clients, and marketing their products. Further to match with the above purpose, The Department of Management organized one day event "Managovista" - "One day Business action", the event was held at gallery on 16th December 2022. The teams demonstrated their abilities to increase sales and profit through their marketing and organising abilities by making the best use of all available resources.

NATIONAL LEVEL SEMINAR

The Department of Management organised two days National Level Seminar on Income tax e-filing process and procedures from the perspective of individuals. The National Level Seminar aimed at enabling the audience to understand the process and procedure involved in income tax e-filing and also to make them aware of deductions available under sec 80C and 80U. Mr Sathish H Srinivas, Co-Founder of Bluepeak Advisers Pvt Ltd was the resource person for the seminar who made the session interesting and also very useful with the practical demonstration.
