REPORT ON SALT AND PEPPER ACTIVITY CONDUCTED ON THE YEAR 2023-2024

"The students of Management -Regular and Aviation II semester were scheduled for an Activity on the 19th of June 2024 in the Seminar Hall, St. Francis College as a part of their curriculum. The Activity was successfully carried out for 1 hour, the students attended a seminar followed by a Fun activity Which was conducted by the Co-Ordinator's. The Activity involved a Team of 5 from both BBA AVIATION and BBA REGULAR. The activity was one student with a word stuck on their back with a stick note questions His/her teammates and with four questions being done, he/she had to guess the given word. The students were familiarized with Interaction, communication, intellectual thinking and Being spontaneous for solving a given problem at a particular instance.

The Activity comes to an end with 3 teams as Winners. Apart from the fun activity the students were able to Learn about Certain aspects of management and teamwork.

The management department students walked out the seminar hall with a warm smile and learned a few aspects of management as the Activity came to an end.
