## Unicorn Squad

St. Francis College is committed to developing well-rounded individuals. Many clubs, groups, and cells have been established for like-minded people to gather and hone their abilities in order to foster the development of the many skills and talents that our students have discovered.

To meet the difficult demands of the corporate global environment, a student of commerce must not only be intellectually sound, but also be exposed to the outside world in a dynamic fashion to confront real situations. As a result, the department not only focuses on its students' academic performance, but also on their extracurricular activities in order to align with the mission of exploring new frontiers with collective knowledge.

The commerce club was founded in 2019 under the name Vanijya, and it evolved into the Unicorn Squad in 2022 to develop and empower students through academic and technological success. Commerce Club acts as a parent, molding and shaping the future of club members to be more ethical and socially responsible citizens of the nation at large, and it is a unique process in which the department's super seniors train, develop, and enhance the opportunity to learn from one another.

## St. Francis College Commerce Club

### Vision Statement

To be a dynamic platform that encourages students' originality, leadership, and entrepreneurial spirit, while also providing them with practical business knowledge and ethical commercial practices for worldwide success.

### Mission Statement

1. To enhance students' understanding of industry, trade, and commerce via skill development and hands-on learning.
2. To cultivate decision-making, leadership, and collaboration skills via a range of extracurricular and academic activities.
3. Making use of industry contacts, guest lectures, and workshops to close the gap between academic understanding and practical application.
4. To advance sustainable commerce tactics, corporate social responsibility, and moral business conduct.
5. To promote networking and teamwork for overall development among students, instructors, and business professionals.
