## DEPARTMENT OF TRAINING & PLACEMENTS

## Guest Lecture on Charting Your Post-UG Career Path

A guest lecture on *Charting Your Post-UG Career Path* was conducted by Department of Training & Placement on **25.08.2025** for the students of **final years of BCA & MCA**. The session was organized with the objective of guiding students about the various academic and professional pathways available after completing their BCA & MCA.

The resource person for the lecture was **Mr. Siva Kumar T M, the Founder of Pivotrics Technologies LLP**, who has vast experience in the field of Information Technology and career mentoring.

During the session, the speaker highlighted multiple career options such as pursuing higher studies like MCA, M.Sc. (IT/CS), or certification programs like Data Science, Cloud Computing, Cyber Security, and Artificial Intelligence. He also discussed job opportunities in areas like software development, database management, IT support, data science, devops engineer and testing openings.

The guest emphasized the importance of skill development in programming languages, problem-solving abilities, communication skills, and keeping pace with emerging technologies. Real-world industry examples and career journeys of professionals were shared to motivate students.

The session was highly interactive, with students enthusiastically asking questions about job prospects, preparation strategies, and industry expectations. The resource person addressed these queries and gave practical advice on how to build a strong profile through internships, projects, and certifications.

In conclusion, the lecture was very informative and inspiring. It provided clarity to students about their future paths and motivated them to set clear goals.
