DEPARTMENT OF TRAINING & PLACEMENTS

Guest Lecture on Master the path to your dream job

A guest lecture on *Master the path to your dream job* was organized on **21.08.2025** by the Department of **Training & Placement**. The session aimed to provide students with practical insights into the diverse career paths available after UG & PG.

The distinguished guest speaker was **Mr. Ankit Kumar, Senior Product Manager at IBM**, an experienced professional in the field of business and management, who shared valuable knowledge about career prospects and industry expectations.

In the lecture, the speaker highlighted the scope of careers after UG & PG. The opportunities in corporate leadership, entrepreneurship, and consulting were also emphasized.

The resource person motivated students to focus not only on academic excellence but also on developing soft skills such as communication, leadership, problem-solving, and adaptability to succeed in today's competitive job market. Real-life success stories and examples were shared, STAR method, storytelling, and confidence tips, making the session more relatable and inspiring. Real examples of career trajectories that started small

The interactive Q&A session allowed students to clarify their doubts regarding career planning, higher studies, placement preparation, and entrepreneurship opportunities. The guest provided practical guidance and encouraged students to set clear career goals aligned with their interests and strengths.

In conclusion, the lecture proved to be highly beneficial, giving students a broader perspective on their future career options after UG & PG
