DEPARTMENT OF MANAGEMENT **GUEST LECTURE** **SFC POST ACTIVITY FEEDBACK REPORT**

Name of the event: “Guest lecture on decision making for management professionals”

Date: 9-12-2024

Place: St Francis College Campus

Time: 2:30 PM – 3:30 PM

Venue: 6th Floor seminar hall

No. of Participants: 65

Coordinators: Ms. Supriya G K and Mr. Rahul V S

Resource Person: Dr. Emmanuel Daniel

Objective: The main objective of a guest lecture on decision-making for students is to equip them with practical frameworks and critical thinking skills to analyze situations, evaluate alternatives, and make informed, effective decisions in both personal and professional contexts.

Outcome: The learning outcomes of a guest lecture on decision-making for students include developing analytical and critical thinking skills to assess situations, identify problems, and evaluate solutions effectively. Students will gain knowledge of decision-making frameworks such as SWOT analysis, decision trees, and cost-benefit analysis, enabling them to approach decisions logically and strategically. The session aims to boost their confidence in making timely, well-informed choices while equipping them with the ability to apply these strategies in real-world scenarios, including teamwork, leadership, and problem-solving.

Report or Overall Summary: The event started at 2:30PM in the presence of event coordinators with the resource person explaining

briefly the topics of coverage. He started with fundamentals of decision making and then went on deeper into the intricacies involved in decision-making. The students were engaged in an activity by the resource person and at the end of it, explained the parameters governing each of the students' performance. The session ended at 2:30PM.
