L. 1
ADDITIONAL ENGLISH
FOR ALL THE UG PROGRAMS

Course Objectives

This course aims to:

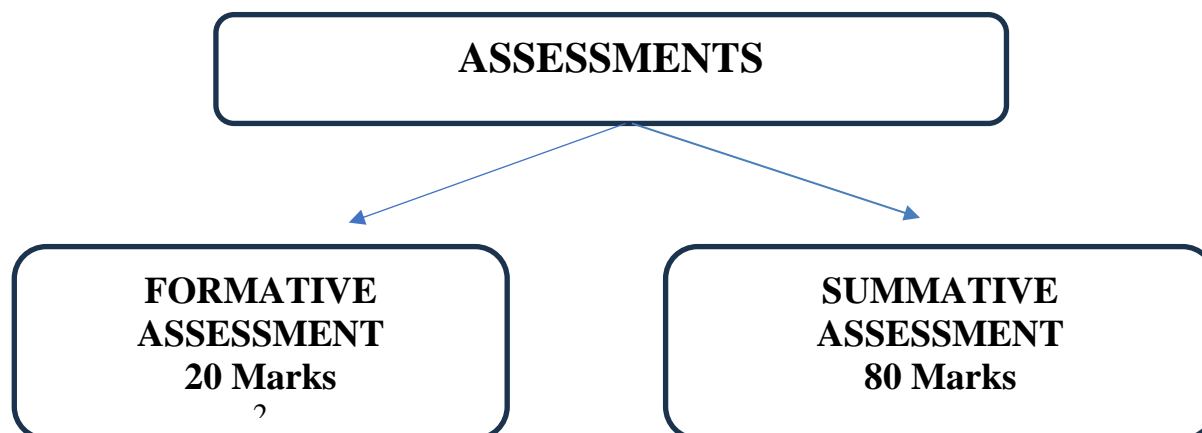

- Expose students to writers and poets from non-European and non-Indian backgrounds.
- Introduce students to a wide range of writers, both classic and contemporary, from lesser-known regions.
- Provide students with an understanding of the historical context of the writers and poets, as well as their respective regions.
- Explore social, political, and cultural issues from various lands.
- Enhance students' understanding of basic sentence structures and develop their communication skills.
- Foster language learning through contextual understanding rather than relying solely on traditional grammar-translation methods.

Course Outcomes

By the end of the course, students will:

- Gain familiarity with writers and poets from non-European and non-Indian backgrounds.
- Be introduced to a diverse selection of writers, both classic and contemporary, from lesser-known regions.
- Acquire knowledge of the historical context surrounding the writers and poets, as well as their respective regions.
- Develop an understanding of the social, political, and cultural issues prevalent in various lands.
- Review fundamental sentence structures and advance towards enhancing communication skills.
- Learn the language through contextual understanding rather than relying solely on the traditional grammar-translation approach.

MAJOR SUBJECT

B.A. IN ENGLISH

COURSE OBJECTIVES

The objectives of the course are as follows:

- To demonstrate a comprehensive understanding of both major and minor writers, texts, and contexts, including canonical and non-canonical literature.
- To gain familiarity with various literatures, particularly Indian writers, their traditions, and their style of writing and discourse.
- To enhance skills in remembering, understanding, applying, analyzing, evaluating, creating literature and acquire advanced literary and linguistic skills.
- To exhibit an awareness of the importance of literature and literary forms, as well as the cultural debates they generate.
- To develop proficiency in using English in various domains and the ability to articulate and to write clearly, creatively, and persuasively.
- To foster a spirit of inquiry and critical thinking.
- To situate and contextualize texts across different theoretical orientations and cultural spaces.
- To possess reading and writing skills relevant to academic and professional disciplines such as print and electronic media, advertising, and content writing.

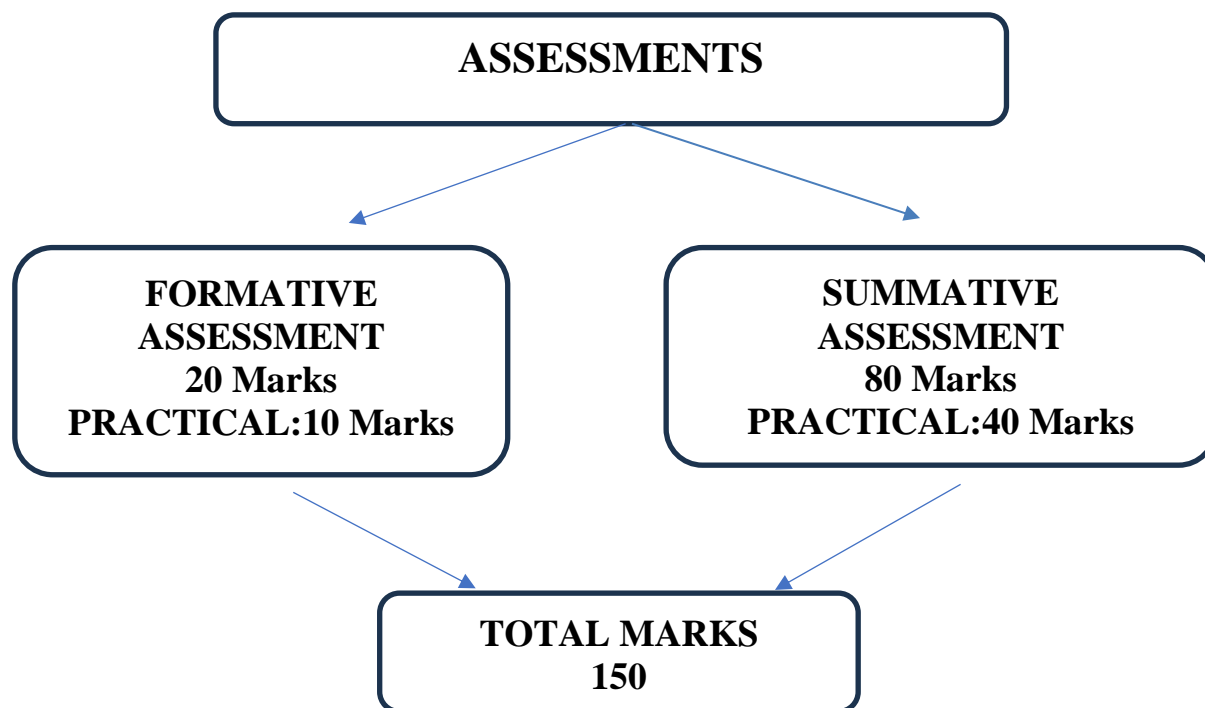

COURSE OUTCOMES

By the end of the course, students will be able to:

- Demonstrate a thorough understanding of major and minor writers, texts, and contexts, encompassing both canonical and non-canonical literature.
- Acquire knowledge of diverse literary works, especially those by Indian authors, their literary traditions, and unique styles of writing and discourse.
- Develop proficiency in recalling, comprehending, applying, analyzing, evaluating, and creating literature, along with advanced literary and linguistic abilities.
- Show an understanding of the significance of literature and literary forms, as well as the cultural discussions they provoke.
- Enhance their English language skills across various domains, enabling them to express themselves clearly, creatively, and persuasively.
- Place texts within different theoretical frameworks and cultural contexts.
- Refine their reading and writing skills relevant to academic and professional fields such as print and electronic media, advertising, and content creation.
